We will take responsibility for health and safety procedures, however, ALL PEOPLE AT THE EVENT need to be aware of their responsibilities and comply with the event's health and safety policy.

COMPETITORS will be responsible for themselves at ALL times by observing safe practices and rules/instructions relating to their competition.

Every person involved in an event run by Show Hunter Waitemata is encouraged to play a vital and responsible role in maintaining a safe and healthy event through:

ESNZ BLUE CARD POLICY

The ESNZ Blue Card Process has been developed to keep riders safe and to support officials in their duty of care.

- Officials can exclude a rider from participating in a competition or entire event by issuing a Blue Card because the rider has received a serious injury, including concussion or suspected concussion.
- If a rider is issued with a Blue Card this will be recorded on their ESNZ profile and the rider will NOT be able to compete until they have received official medical clearance from a registered GP or medical specialist and sent this to ESNZ.
- If a rider who has been issued with a Blue Card competes without medical clearance or refuses to withdraw from an event, this may result in disciplinary action being taken through ESNZ
- Riders issued with a Blue Card at an event are advised NOT to drive home from the event and must arrange alternative transport for them and their horse/s.

Please read the full document link below to understand what this involves:
